ExQuMe Project (exqume.eu)

Data Controller

The ExQuMe Consortium, led by the University of Turku (FI), is responsible for your data. For inquiries, contact: admin@exqume.eu.

Data Collection & Purpose

We collect minimal data to provide a functional website and fulfill Erasmus+ reporting:

- **Technical Logs:** Your IP address and browser type (collected automatically for security).
- **Direct Inquiries:** If you email us, we use your address only to respond to your request.

Legal Basis

We process data based on **Legitimate Interest** (site security) and **Consent** (if you choose to contact us).

Data Sharing

Data is only shared within the project consortium (UTU, UCLan Cyprus, UPAT, UNIZG, ESTIA, TPP) for academic reporting. We never sell data to third parties.

Storage

Data is stored on secure servers within the EU and deleted after the project's mandatory retention period (typically 5 years after the final report).

Your Rights

You have the right to access, rectify, or erase your data. Contact us at the email above to exercise these rights.
